Turn right and continue through the village of Southill until you reach the White Horse public house on your left. Immediately past the pub at the second turning on the right is the entrance to Southill Park through iron gates with stone pillars and a thatched cottage on the right.

House Visits - Proceed through the Park gate, go over two speed bumps and when you reach the fork in the road under the cedar tree go to the left across the front of the House to the far end and park.
